Dear Mr. Gau: *David*

In accordance with Section 155 of the California Revenue and Taxation Code, I hereby respectfully request an extension of the 2004/2005 Assessment Roll.

This office has finally caught up with the secured roll and felt confident that we could turn a timely roll. As we proceeded to look into the process of turning the roll, we developed problems with our new tax system that may take awhile to cure. This new tax system, CREST, has also given this office problems with the valuation of properties on the unsecured roll. I had hoped to comply with the July 1st deadline, but now realize that we will not be able to meet that deadline. If we attempt to turn the roll now, the accuracy of the homesteaders exemptions, business properties values and factored base year values might be compromised.

Your consideration of this petition would be greatly appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Dave Peets".
